⁴ No need to book a taxi on your own; we are doing the taxi reservation for you.

About Seminar Areas

Seminar proposals are studied and categorized by the Forum Numerica Committee according to the different research areas of the [Academy of Excellence "Networks, Information and Digital Society"](#) of Université Côte d'Azur. These research areas are clustered in three pillars: Networking, Digital Sciences and Digital Society.

Here is a non exhaustive list of research domains per pillar, as well as the committee members for every pillar:
